

# Your office runs on schedule. Your courier should too.

Structured medical courier routes for Philadelphia practices  
Owner operated. Philadelphia based. Direct accountability.

## What We Handle

- **Scheduled daily and weekly routes**  
Consistent pickup windows around your hours
- **Same day local delivery**  
When timing is critical
- **Inter-office document transfers**  
Between locations with clear chain of custody
- **Lab specimen and supply runs**  
Pickup and delivery logged at each handoff
- **Medical records transport**  
Confidential transport with delivery confirmation
- **Priority and time-sensitive pickups**  
Available within established coverage areas

## Why Offices Choose OnTask

- **One contact. Every route. Every time.**  
You work directly with the owner.  
Same person from day one.
- **Routes built around your schedule.**  
Pickups happen when expected.  
No coordinating.  
No chasing.  
No guessing.
- **Every stop documented.**  
Timestamped proof of delivery.  
Recipient confirmation included.
- **Every handoff logged.**  
Every stop confirmed.

## Who We Support
